Andrew Jamison (University of Aalborg, Denmark)	Sylvia Walby (Lancaster University, England)
Tim Jordan (The Open University, England)	Mark Warren (University of British Columbia, Canada)
Douglas Kellner (University of California at Los Angeles, U.S.)	

\* We invite contributions on these and related issues. Some papers will stick close to the ground of daily life and politics; others will ascend the heights of theory in order to get the big picture. The work we publish is both disciplinary and interdisciplinary, bridging the social sciences and humanities. Culture and capital are keywords. We are also interested in cities, the built environment and nature, and we encourage people who theorize space to submit their work.
